

Lake so blue, lake so deep,  
She will all her secrets keep:  
Young men fishing out of season,  
Crazy lovers and no reason  
Hiding in the night so blue,

I love you

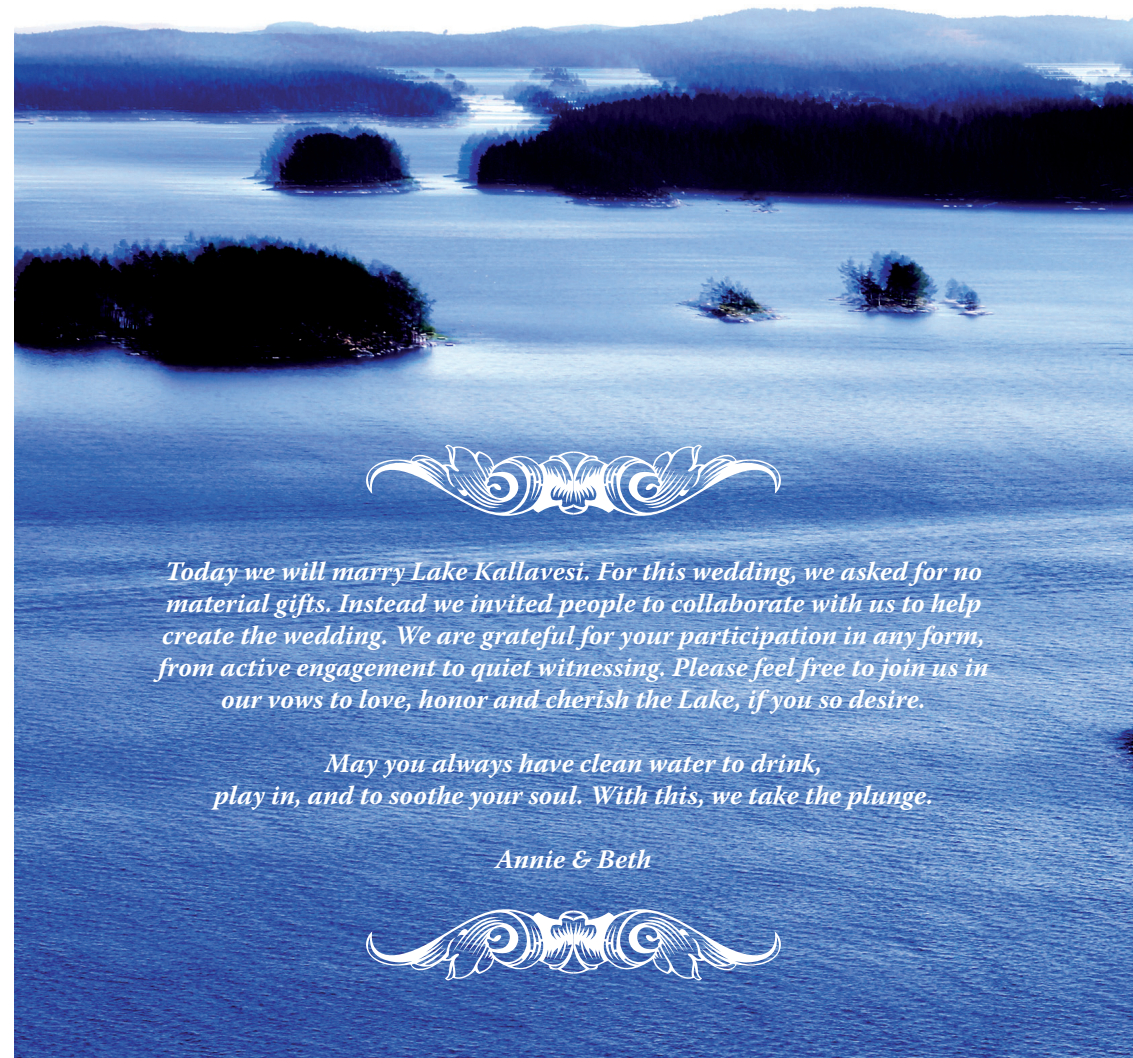

I love you.

Elizabeth M. Stephens & Annie M. Sprinkle's  
**BLUE WEDDING to  
LAKE KALLAVESI**

Presented by ANTI-Festival  
M/S Queen R  
September 30th, 2012

*Today we will marry Lake Kallavesi. For this wedding, we asked for no material gifts. Instead we invited people to collaborate with us to help create the wedding. We are grateful for your participation in any form, from active engagement to quiet witnessing. Please feel free to join us in our vows to love, honor and cherish the Lake, if you so desire.*

*May you always have clean water to drink,  
play in, and to soothe your soul. With this, we take the plunge.*

*Annie & Beth*

Please join us at the first International Ecosex Symposium in England in July, 2013. For more information about our work, please visit [www.sexecology.org](http://www.sexecology.org)
