

Elizabeth M. Stephens & Annie M. Sprinkle's  
PURPLE WEDDING TO THE MOON

With Reverend Billy &  
the Church of Life After Shopping Choir

Because N.A.S.A. has bombed the Moon prospecting for water...(really!)  
And because we are poisoning our water here on Earth at an alarming rate...  
and in order to inspire more love for our environment,  
as well as love for each other, tonight we will marry the Moon.

We put out a call for collaborators to help us co-create this wedding.  
In this program are the names of all the wonderful people who came forward.  
We are so grateful to each of them, and to you for being here.
